Dhamma Maṇḍapa, meaning ‘Pavilion of Dhamma’, is located near Mandalay University, in the compound of a monastery. As it is in the city, the Centre serves as a convenient venue for group sittings on Sundays and on public holidays. A total of 62 ten-day courses have been held as of April 2005 since the Centre was established in April 1999. Satipaṭṭhāna and children’s courses are also held.

Present facilities in Dhamma Maṇḍapa are mostly of wood and bamboo sheds. Accommodation is of dormitory type. No expansion is planned in the near future.
